FOUR LOYOLA TEAMS IN ACTION THIS WEEKEND

Four Loyola College athletic teams see action this weekend - three of them on the road and the fourth at home.

Bill Bett's varsity soccer Warriors open the weekend play by hosting Bishop's University Gaifers tomorrow afternoon in a game slated for 4:45 p.m.

Saturday at 2:00 p.m. the varsity football Warriors make their second start in the Central Canada Intercollegiate Football Conference as they meet Université de Montréal Carabins at the U de M field.

At the same time on Saturday Pat Duffy's J.V. football squad and Harry Huis' J.V. soccer team open their seasons at Sherbrooke vs. the Université de Sherbrooke Varsity teams.

The varsity soccer Warriors opened their season Tuesday and pulled out a 1-0 squeaker against College Militaire Royal of St. Jean.

Claudio Sandrin's goal with seven minutes in the game gave Loyola a victory after a tough defensive battle against the St. Jean Cadets. Betts praised the efforts of Sandrin, centre half Ken Mitchell, J.V. grad netminder Ricky Bourdeau and Joe Campana in the opening game.

As for the varsity football squad Head Coach George Dixon was satisfied with his team's progress in the C.C.I.F.C. opener against Sir George Williams Georgians last Saturday. Warriors won 27-7 with a touchdown in each quarter. "But this is Sir George's first season in football and we didn't expect them to be strong the first time out but I'm sure it will be a different story in the rematch on November 2", commented Dixon.

This Saturday Dixon is preparing for a real battle against Dave King's Carabins. "U de M gets up unusually high for games against us", remarked Dixon. "The great intra-city rivalry that exists between Loyola and Sir George is spreading to include the U de M and Loyola".

Line Coach Tony Pajackowski who has done an outstanding job building Loyola's line strength passed on credit to guards Rick Jones and Steve Niemirowski and tackle Pat Denvito for the gaping holes opened in the SGWU line that permitted Loyola to gain over 300 yards rushing in last Saturday's match. Denvito was lauded for blocking two men on one of Loyola's touchdowns Saturday.

Terry Whalen and John Tackney were also cited for their defensive performance on Saturday.

News from Loyola's junior varsity football team is that Pat Duffy has a second championship contender. Two more St. Thomas High School products are slated for key roles, Mike Miller at Quarterback and Steve Doherty at linebacker.

Duffy also has speed in his backfield to match the varsity with Jim Lynch scheduled to start at fullback, fleet Dave Zappia and Brian O'Keefe at halfbacks.
